

OPEN POSITION: Civil Site Engineer (I or II)

JOB CODE: CIV-E-02-04-20

OFFICE LOCATION: Lincoln, RI

POSITION SUMMARY:

Pare Corporation has a position available for a Civil Engineer (I or II) with zero to four years of experience. This position will support the design of site and infrastructure projects. Work assignments typically include site design, grading, stormwater management, utility design, field reconnaissance, sustainable/green infrastructure design, report preparation, and construction administration. Task assignments will be designed to develop professional engineering work skills and abilities in order to support a strong foundation for an engineering career at Pare Corporation.

DUTIES AND CORE RESPONSIBILITIES:

- Perform field tasks, including data gathering of field conditions during pre-design, design, and construction phases.
- Perform various civil engineering design, calculations, and modeling.
- Work with engineering team to prepare design, permitting, and construction documents for a variety of site projects.
- Perform field observation during project design and construction phases.
- Prepare stormwater management design and supporting calculations.
- Prepare drafts of field and engineering reports, technical specifications, and similar technical documents.
- Other related activities as needed.

EDUCATION, EXPERIENCE, AND COMPETENCIES:

- Bachelor's degree in Civil Engineering or related field, and Master's degree preferred.
- 0 to 4 years engineering experience, including experience or course work with site layout, grading and stormwater management.
- Passed the Fundamental of Engineering (FE) Exam preferred or completion within a year of start date required.
- Experience with Microsoft, HydroCAD, and other engineering software; AutoCAD and Civil 3D preferred.
- Possess strong verbal, written, and interpersonal communication skills.
- Attention to detail and the ability to think critically.
- Self-motivated with a professional attitude.
- Active participation in professional and community organizations preferred.
- LEED Accreditation or ENV Sustainability Professional a plus.

Pare Corporation offers a solid compensation and benefits plan including:

- Competitive Salaries
- Paid Holidays and Vacations
- Health, Dental, Vision, Life, and Long-Term Disability Insurance
- 401(k) Retirement Plan with Competitive Company Match
- Tuition Reimbursement
- Professional Registrations, Licensing Fees and Memberships

Pare Corporation is an equal opportunity employer and maintains a policy of affirmative action for minorities and women, individuals with disabilities, and protected veterans.
